- each picture will be an entry into a raffle. The winner will receive a \$50 gift card to the place they were shopping.
- takeout counts- just take a picture picking it up or of the meal in a way that shows the logo
- online orders/curbside pick up counts- just take the picture in a way that shows your purchase and maybe the store bag with logo

4. Use of Music Funds

- Our anonymous donor is still donating even though we can not have the music program this year. We agreed that we would use it for students' physical and emotional needs this year and it will go back to being for music next year.
- Mike would like to use the funds to pay for Doc Wayne in the 21/22 school year.

5. Supply Boxes for next year

- Do we want to work with a company so families can order supply boxes for next school year?
- Some companies can set it up so that extras can be purchased and donated to students in need
- can round up the price and use as a fundraiser
