

Hello!

Welcome to K0/K1! My name is Ms. Hennessy, and I will be your child's teacher for this school year. I am so excited to start this new year with you! This will be my second year teaching at The Perry School. A little about myself is that I have received my bachelor's from Worcester State University in Elementary Education and my masters in Special Education from Fitchburg State University. My teaching licenses are Elementary Education 1-6 and Severe Disabilities K0-8th. I have worked in Special Education classrooms for the last 5 years. When I'm not teaching I enjoy spending time with my friends and family, hiking, traveling, skiing, anything outdoors! Below is some important information for your family.

**Please communicate with me what mode of transportation your child will be using, bus or parent pick up.**

### **What to Bring:**

On the first day of school you need to bring a backpack, pull ups/wipes/snack your child prefers. If your child requires a specific cup for drinking please provide that as well. The school provides breakfast and lunch for every child. I will be sending home your folder with emergency contact form, media release form, BPS calendar, and our class schedule. We will also ask you to bring an extra set of clothes to keep at school and a small blanket for rest, if you would like one. Please make sure your child's full name is somewhere in/on their backpack.

I can't wait to meet you and to have a fun year full of lots of learning! If you have any questions you can email me at [nhennessy@bostonpublicschools.org](mailto:nhennessy@bostonpublicschools.org), I might not get back to you right away but will try as soon as possible. My preferred form of communication during the school year is class dojo (free app). Please look out for your class dojo invitation, as I will be sending that out over the next couple of days.

See you soon!

Ms. Hennessy

### Room Wish List

Please don't ever feel obligated to buy things for the classroom, but if you do want to donate something, we welcome it, as the school does not provide these things for the classroom.

Here are some things we ALWAYS need:

Tissue/Kleenex  
sanitizer

Thank you in advance!!
