

September 2023

Dear Parents and Guardians,

Hello! My name is Ibolya Toth and I wanted to take a moment to introduce myself as your child's fourth grade teacher. Fourth grade is sure to bring many new experiences, and I am extremely excited to be working with you and your child throughout the year.

This coming school year will be my second year as a 4th grade teacher at Perry School. Previously, I worked in the Natick Public Schools for over five years and then spent four years in the Southbridge Public Schools where I taught fifth and fourth grade. I am going into my fourth year teaching fourth grade and I am very pleased to be part of the Perry Shark family!

I grew up in the Metrowest area and consider it as my closest home to the city. I have a son named Camron who competes in swimming and enjoys spending time at a skatepark. During the summer, I work at a swim school, and during the fall and spring season, I coach U14 soccer and bring the joy of working together as a team. In my free time, I enjoy day trips and spontaneous last minute decisions to make for a great adventure.

I am looking forward to meeting your child and working in partnership with you during this school year. I am confident that together we can help provide support and encouragement needed for your child to succeed. We are going to have a fantastic year!

If you have any questions or concerns, please don't hesitate to contact me. Attached below you will find the supply list for our class. In the meantime, continue to enjoy the rest of your summer!

Sincerely,

Miss Toth
