

September 2023

Dear Grade 3 Students and Families,

Hello and welcome to 3rd grade! My name is Morgan Durocher and I will be your student's 3rd Grade teacher. I can't wait to get to know your students throughout the school year - although many are already familiar faces that I have gotten to know in passing this year! We will work as a team to foster our love for learning and grow together this year.

The Perry School has an amazing sense of community which is one of the many reasons why I feel so fortunate to work with the amazing students and families here. This will be my second year teaching at the Perry, and my fourth year teaching 3rd Grade. I believe that communication is key to students' success. I encourage you to reach out with any questions, comments or concerns throughout the school year via email or TalkingPoints. I am sure that we are going to have so much fun learning throughout the 2023-2024 school year.

Over the summer you can find me at a Red Sox game, trying new local restaurants, or laying on the beach with a good book in my hand. South Boston is truly a beautiful place to be! I hope you all had a fun and relaxing summer break.

I am extremely excited and thankful to be working with your 3rd grade students. Again, if you have any questions and/or concerns please do not hesitate to reach out to me. My email is mdurocher@bostonpublicschools.org. I have also attached the supplies list for our class below.

Sincerely,
Ms. Durocher
